It's Your Turn

Instructions: Write what is YOUR favorite season and give 4 reasons of why you like it.
Look at the example.

My favorite season

I love the brown color of the tree leaves and the way they crunch when you step on them. I also love the traditions in this season.

My favorite season is fall; I truly love it. I love it because it is a beautiful time of the year. I love the windy and cloudy days, that is my favorite weather.

Day of the dead (*Día de Muertos*) and Halloween are my favorite because you can watch spooky movies, bake a pumpkin pie or go treat-or-tricking. Finally, it is the time when we come back to school and we get to see our friends again. There are so many things I love about this season.

How is the weather like today?

How is the weather like today?

Present continuous reading.

Ben: Hi, Laura! How are you?

Laura: Hello, Ben. I am good, thank you. Tell me, do you like Sao Paolo? How is the weather like there?

Ben: This is a beautiful place and the weather today is perfect, too. It is sunny and hot as always! It was raining this morning, but now it is great.

Laura: Oh, that's cool! Yesterday, it was snowing here in Vancouver, but today it is just a little cold and cloudy. I heard that tonight it is going to snow again, so I am wearing warm clothes and I am eating marshmallows.

Ben: Yes, that is a good idea. With this weather I'm not drinking hot drinks. Are you staying with your mom?

Laura: Yes, this week, we are cooking seafood and watching movies. Are you having fun there alone?

Ben: Yes! This place is awesome! I am not going back to Vancouver this month.

Activities:

- Read the conversation between Ben and Laura
- Look at the time expressions, Which ones are for past, future and present?
- Who is having more fun?

Past	Present	Future
