My new house is not very big but we have enough space for everyone here.

There are two bedrooms for me and my parents and there is another room we use as a study room. There is a big and modern kitchen downstairs and a cozy living room where we watch TV and play board games. There are many windows in the house, so there's a lot of light during the day. There are two bathrooms, but there is a bathtub only in the bathroom upstairs. This house is fantastic!

# Where Do You Live?

I'm Jeewhan Yoon from the city of Busan, in Korea. My wife and I live in a small house with two floors and a garage. There are two bedrooms, a living room, a small kitchen, and one bathroom.

My favorite room is the living room. There's a big sofa, and I usually read there. We also watch movies on TV in the living room.

One thing I don't like: we don't have a garden.

I'm Tina Williams and I'm from Scarde, in the United States. Hive in a small white house with a two-car garage.

Downstairs, there's a living room, a dining room, and a nice large kirchen with large windows and a view of the garden. There are two bedrooms and one bathroom upstairs. There's also a very small office-my favorite room. I study there.

It's small, but I love my house!

Eduardo Calero

My name is Eduardo Calero. and I live in Caracas, Venezuela. My family has a really nice aparement on the eighth floor. There's an elevator, of course, and there's a garage on the first floor.

We have three bedrooms and two bathrooms. My brother and I have our own rooms. The kitchen is small. but it has beautiful new appliances. The living room is my favorite room. though, because it has a fantastic view of the city of Caracas.
